Lane Closures Planned for U.S. 331 on the Clyde B. Wells Bridge

Chipley, FL – Drivers will encounter alternating lane closures on U.S. 331 across the Clyde B. Wells Bridge in Walton County from 10 p.m. Thursday, August 13 to 6 a.m. Friday, August 14 as crews place concrete for the new bridge. Flagmen will be on site to safely direct traffic through the work zone.

Large concrete pump trucks will be present on the bridge so drivers are encouraged to use extra caution when traveling through the work zone. All planned construction activities are weather dependent and may be re-scheduled in the event of inclement weather.

For more project information and the latest traffic advisories, visit www.facebook.com/USHighway331. You may also follow the Florida Department of Transportation District Three on Twitter @myfdot_nwfl or like us on Facebook at www.facebook.com/MyFDOTNWFL.
